## **I. PURPOSE:**

The purpose of this Request for Proposals (RFP) is to solicit proposals to establish a contract with the Virginia Department of Housing and Community Development (DHCD) for services to modify and develop policies, procedures, and templates for the Virginia HOME program.

Failure to provide information required by this RFP will be grounds for rejection of the proposal.

## **II. BACKGROUND:**

The Virginia HOME program is funded through a formula grant from Housing and Urban Development (HUD). This program addresses affordable housing needs in Virginia through the development of affordable housing development projects, rehabilitating of low income homeowner units, providing down payment and closing costs assistance to eligible first time homebuyers, and through supporting community-based housing development partners.

As a HUD and federally regulated program the Virginia HOME program includes multiple areas for compliance monitoring. In August of 2011, DHCD contracted with an outside firm to conduct a program evaluation of the HOME program. Along with areas already identified by DHCD, this evaluation highlighted a number of areas for improvement.

This contract would address these areas by improving the quality and completeness of written policies and procedure and developing and/or modifying critical templates, forms, and tools necessary for effective program implementation and compliance.

## **III. STATEMENT OF NEEDS:**

### **A. General**

1. Working in close cooperation with the representatives of the DHCD, the Contractor shall provide all of the services, materials, equipment, and personnel required to carry out the work described below. DHCD will provide access program related materials, data, and staff. DHCD will provide office space at the East Main Street location as needed.
2. The selected Contractor (s) shall report to the Associate Director of Housing Policy and Compliance.

## **B. Scope of Work**

This contract would address previously identified areas by improving the quality and completeness of these written policies and procedure and developing and/or modifying critical templates, forms, and tools necessary for program implementation.

The contract must provide written policies and procedures specific to environmental reviews for each of DHCD HOME activities. This should include identifying or creating where applicable any tools or templates required for full implementation.

The contract must provide a detailed review of the recapture provision policies and procedures and draft modifications as needed to the policy, procedures, and the program tools and documents.

The contract should provide one one-day training in Richmond for staff and DHCD current Down Payment Assistance Program (DPA) sub-recipients. This training should cover the recapture provision and other DPA program requirements including the subsidy layering analysis. DHCD will provide the location. The contact should provide the training, the presentation and materials specific to the revised DPA program. The specific training date should be identified in collaboration with DHCD within the first 30 days of the contract to occur within the contract term.

The contract must provide written policies and procedures specific to CHDO certification. This should include identifying or creating where applicable any tools or templates required for full implementation.

The contract must provide written policies and procedures specific to HOME subsidy layering for each of DHCD HOME activities. This should include identifying or creating where applicable any tools or templates required for full implementation.

The contract should provide at least one one-day training for key DHCD staff on HOME subsidy layering implementation.

The contract must provide written policies and procedures specific to Davis Bacon and Section 3 for each of DHCD HOME activities. This should include identifying or creating where applicable any tools or templates required for full implementation.

The contract must provide written policies and procedures specific to Lead Safe Rule for each of DHCD HOME activities. This should include identifying or creating where applicable any tools or templates required for full implementation.

The contract must provide written policies and procedures specific to Section 504. This should include identifying or creating where applicable any tools or templates required for full implementation.

The contract must provide written policies and procedures specific to Uniform Relocation Act. This should include identifying or creating where applicable any tools or templates required for full implementation.

The contract should review and draft as needed modifications to HOME program agreements, contracts, templates, deeds, loan documents, and liens.

The contract should provide up to five days of staff training for the implementation of new procedures and processes specific to it deliverables produced as a result of this contract.

The contract must provide a staffing analysis to document the appropriate staffing levels for HOME program administration.

#### **IV. DELIVERY REQUIREMENTS AND SCHEDULE:**

2. The selected Offeror in consultation with DHCD, shall establish a mutually agreeable calendar of dates to deliver the specified above.
3. DHCD, in consultation with the Consultant, shall establish a payment schedule based on a mutually agreeable calendar of dates to deliver services specified above.

#### **V. CONSULTANT QUALIFICATIONS:**

1. Ten years experience with the HOME program and with other federal requirements. At least five years with a state HOME program and demonstrated ability to providing the services and activities outlined in the scope of work. Must be able to demonstrate prior experience in effectively addressing implementation and compliance issues at a state level. The contract must provide qualified resources including certified HOME program specialist and state level HOME experience.
2. A proven track record of timely delivery of multiple tasks.

#### **VI. PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS:**

##### **A. General:**

1. RFP Response: In order to be considered for selection, Offerors must submit a completed response to the RFP. One (1) original and four (2) copies of each proposal must be submitted to Issuing Agency, Department of Housing and Community Development. No other distribution of proposal shall be made by the Offeror.
2. Proposal Preparation:
  - a. Proposals shall be signed by an authorized representative of the Offeror. All information requested should be submitted. Failure to submit all information requested may result in the purchasing agency requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by the purchasing agency. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

- b. Proposals should be prepared simply and economically, providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.
- c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and sub-letter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the Offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
- d. As used in this RFP, the terms "must", "shall", "should" and "may" identify the criticality of requirements. "Must" and "shall" identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as "should" or "may" are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the RFP, some individual "must" and "shall" items may not be fully satisfied, but it is the intent to satisfy most, if not all, "must" and "shall" requirements. The inability of an Offeror to satisfy a "must" or "shall" requirement does not automatically remove That Offeror from consideration; however, it may seriously affect the overall rating of the Offeror's proposal.
- e. Each copy of the proposal should be bound or contained in a single volume where practical. All documentation submitted with the proposal should be contained in that single volume.
- f. Ownership of all data, materials, and documentation originated and prepared for the State pursuant to this RFP shall belong exclusively to the State and be subject to public inspection in accordance with the *Virginia Freedom of Information Act*. Trade secrets or proprietary information submitted by an Offeror shall not be subject to public disclosure under the *Virginia Freedom of Information Act*; however, the Offeror must invoke the protections of § 2.2-4342F of the *Code of Virginia*, in writing, either before or at the time the data or other material is submitted. The written notice must specifically identify the data or materials to be protected and state the reasons why protection is necessary. The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices, and/or total proposal prices as proprietary or trade secrets is not acceptable and will result in rejection of the proposal.

### 3. Oral Presentation:

Offeror's who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the agency. This provides an opportunity for the Offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. The issuing agency will schedule the time and location of these presentations. Oral presentations are an option of the purchasing agency and may or may not be conducted.

## **B. Specific Proposal Instructions:**

Proposals should be as thorough and detailed as possible so that the Department of Housing and Community Development may properly evaluate your capabilities to provide the required goods/services. Offeror's are required to submit the following items as a complete proposal:

1. Return the RFP cover sheet and all addenda acknowledgments, if any, signed and filled out as required.
2. Offeror Data Sheet, included as an attachment to the RFP, and other specific items or data requested in the RFP.
3. A written narrative statement to include:
  - a. Experience in providing the goods/services described herein.
  - b. Names, qualifications and experience of personnel to be assigned to the project.
  - c. Resumes of staff to be assigned to the project.
4. Specific plans for providing the proposed goods/services including:
  - a. What, when and how the service will be performed.
  - b. Time frame for completion.
5. Proposed Price. Indicate in the pricing schedule.
6. Small Business Subcontracting Plan – Summarize the planned utilization of DMBE-certified small businesses which include businesses owned by women and minorities, when they have received DMBE small business certification, under the contract to be awarded as a result of this solicitation. This is a requirement for all prime contracts in excess of \$100,000 unless the solicitation has been set-aside for small businesses or no subcontracting opportunities exist. Complete Annex 7-G.

## **VII. EVALUATION AND AWARD CRITERIA:**

### **A. Evaluation Criteria:**

Proposals will be evaluated by the Owner using the following criteria:

The Offerors may be invited to interview for the position. The Owner may cancel this Request for Proposals or reject all proposals at any time prior to an award, and is not required to furnish a statement of the reason why a particular proposal was deemed to be most advantageous. (§11-65D, Code of Virginia.) Should the Issuing Agency or public body determine in writing and in its sole discretion that only one Offeror is fully qualified, or that one Offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the Offeror/Contractor's proposal as negotiated.

- H. **MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs**
  1. **RFP:** Failure to submit a proposal on the official state form provided for that purpose may be a cause for rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.
- I. **CLARIFICATION OF TERMS:** If any prospective (bidder/offeror) has questions about the specifications or other solicitation documents, the prospective (bidder/offeror) should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Purchasing Agency shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia *Vendors Manual*. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.

P. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. If the award of this contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.
